Disposition Without Oral Argument: Oral argument will not aid the court in rendering a decision on this matter.

The status conference is continued to February 26, 2014, at 9:30 a.m. to allow the plaintiff to finalize a settlement with the defendant. If the adversary proceeding is not resolved by January 28, 2014, the parties appearing in the action shall comply with the court's Order to Confer on Initial Disclosures and Setting Deadlines (Dkt. 5) (the "OTC") as if the date of the status conference set in the reissued summons were the status

conference date set in the original summons (Dkt. 3). Failure to comply with the orders herein or with the OTC may result in the imposition of sanctions under Fed. R. Bankr. P. 7016, incorporating Fed. R. Civ. P. 16(f). Such sanctions may include any of the sanctions listed in F.R.Civ.P. 37(b)(2)(A)(ii)-(vii), including dismissal of the action for plaintiff's failure to comply or the striking of defendant's answer, if any, and entry of defendant's default for defendants' failure to comply. In addition, if the defendant is not served with the summons and complaint on or before February 20, 2014, the adversary proceeding will be dismissed pursuant to Fed. R. Bankr. P. 7004, incorporating Fed. R. Civ. P. 4(m).

Although the debtors have represented that they have reached a settlement of the action with the defendant, the court notes that as of 10:19 a.m. on December 17, 2013, there is no evidence on the docket of the debtors' service of the summons and complaint on the defendant. Therefore, the debtors are advised, pursuant to the ruling above, that if the summons and complaint are not served on the defendant on or before February 20, 2014, the case will be dismissed pursuant to Fed. R. Civ. P. 4(m).

The court will issue a minute order.

The status conference is continued to January 29, 2014, at 9:30 a.m., for the plaintiff's filing of an amended complaint, if any, and the defendant's response thereto.

The court acknowledges that the plaintiff and defendant have agreed on a discovery schedule. However, the court also notes that the defendant has not filed an answer in the adversary proceeding, and as a result the complaint is not yet at issue. As a result, the court declines to enter

a scheduling order at this time.

The court will issue a minute order.
